Dear Steve:

Thank you for the benchmark and tracking polls you provided for the Tennessee Republican Party in 1996. I see why Governor Don Sundquist thinks so highly of your abilities.

Your polls were not only accurate and timely, but your strategic recommendations were helpful as well. And your ability to handle benchmark and tracking polling in 15 State House and Senate Districts at the same time was a valuable strategic weapon for our party in 1996.

Thanks again for your help. The Tennessee Republican Party looks forward to working with you further in the future.

Sincerely,

Jim Burnett  
Chairman
